

JUDAISM

— (Continued from Page 2) —

reading this article to those who until now do not grasp fully the real meaning of the anti-communist uprising in Hungary in October-November of 1956. THE REPORTER is edited by a Jew of Italian origin, Max Ascoli; his wife Marion, (Rosenwald) who, allegedly, supports this magazine financially, was formerly Mrs. Stern; Stern himself, a rich Jewish banker, was a member of the communist spy ring which had many other Jewish members such as: Able, Alam, Soble, etc.

To say that this magazine is "anti-Semitic" would be somewhat difficult, indeed. Consequently the TRUTH of Miss Sterling's declarations cannot be doubted. And she said that: "Jews filled the regime's most exposed positions in the Bezpieka, or SECRET POLICE—a factor that helped to revive the classic Polish anti-Semitism;" "Three Jews still, (in 1953) DOMINATE the Polish communist apparatus—Jacob Berman... Hilary Mine... and Roman Zam-browsky." She says that 8 of 11 Czech communist leaders hanged together with Slansky were Jewish. It is especially remarkable what Miss Sterling wrote about Hungary: "The Hungarian Government IS ENTIRELY RUN BY MEN OF JEWISH DESCENT, Gabor Peters, (a Jew) heads AVH or secret police. SEVENTY PER CENT of Peters' staff is-or was-JEWISH." Miss Sterling explains how this most conspicuous role played by Jews in the Satellite communistic regimes helped to revive the most violent anti-Jewish sentiments in the masses—the same, by the way, happened also in the Soviet Union, as can be seen from the book of Mr. Margolin, a Jew himself, "Voyage to Ze-Ka Land." The activities of the famous Ana Pauker, a Jewess, and her Jewish cohorts in Romania are known to everyone and we shall not mention them here.

The question arises: are the Jews so much hated in the communist-dominated countries only because "a few" of them got somehow mixed up with the communist regimes? Most certainly NOT! They are hated because, as Mr. Stevens said, they supported communism AS A GROUP, and this group produced the MOST ACTIVE, RUTHLESS, BLOODTHIRSTY members of the Communist Party, known and hated by everybody, including many non-Jewish communists themselves, who finally, after a long and bloody strife, destroyed their Jewish colleagues.

Let us assume, that Mr. Hoover, while busily fighting American subversive elements, overlooked entirely WHO formed the backbone of the foreign Communist Parties. But, most assuredly, he could not miss the activities of the Fur & Leather Workers' International of N.Y.—this most violently communistic Labor Union of the United States by a strange coincidence, is about 100% Jewish! Its former leaders, Gold and Potash, were the founding members of the American Communist Party. This Union contributed to the Party coffers about \$17,000 every week in Party dues alone, a tidy sum most certainly!

Mr. Hoover, no doubt, still remembers the terrific reaction of World Jewry to the Rosenberg case, and knows the fact, that this Jewish couple adhered to the religion of Judaism to the very last breath and were buried with full Jewish rites. Quite a few Rabbis, such as Cohn, Kozlov, Cronbach, who officiated at the funeral rites

THE TESTIMONY OF THE BRITISH GOVERNMENT

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact... I consider that the immediate suppression of Bolshevism is the greatest issue now before the world... and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things."

— Confidential report of Britain's representative in Russia quoted in the White Paper entitled Russia No. 1 (1919), A Collection of Reports on Bolshevism in Russia issued by the British War Cabinet in January 1919.

THE TESTIMONY OF THE AMERICAN GOVERNMENT

"In February, 1916, it was first discovered that a revolution was being fomented in Russia. It was found out that the following persons as well as the banking-house mentioned were engaged in this work of destruction: Jacob Schiff (Jew); Guggenheim (Jew); Max Breitburg (Jew); Kuhn, Loeb & Co. (Jewish Banking-house,) of which the following are the directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S. H. Hanauer (all Jews). There can be no doubt that the Russian revolution, which broke out a year after the information given above had been received, was launched and fomented by distinctively Jewish influences. As a matter of fact, in April, 1917, Jacob Schiff made a public declaration that it was thanks to his financial help that the Russian revolution had succeeded. In the spring of 1917, Jacob Schiff began to supply funds to Trotsky (Jew) to bring about the social revolution in Russia... Through Stockholm, the Jew, Max Warburg, was likewise furnishing funds to Trotsky and Co... Thus the communications were set up between the Jewish multi-millionaires and the Jewish proletarians... It will be manifest that the Bolshevik movement is in a certain measure the expression of a general Jewish movement and that certain Jewish banking-houses are interested in the organization of this movement."

— Report of the United States Secret Service on the financing of the Russian Revolution sent by the U.S. Government to all the Allied Governments of World War 1.

and many others were on the side of those communist agents and gave them their moral support. The Rosenbergs' trial was an obvious demonstration of world-wide Jewish solidarity in supporting a communist cause. The number of the "white sheep" who were in opposition to the general trend of the Jewish mass was so small, that it helped only to underscore the true relation which then existed between Communism and Judaism.

Only recently TIME (6/30/58) stated, that the House Un-American Activities Committee "flushed a covey of birds"—all of the same Jewish feather,—Messrs. Dubin, Papp, Proctor and Lazar, who were engaged in communist activities among American intellectuals. On March 30, 1957 the Senate Security Subcommittee reported that Harry Dexter White and his Jewish "lieutenants" Coe, Adler, and Friedman "brought the economic destruction of China by holding back gold shipments and **THUS PAVED THE WAY TO COMMUNIST INVASION.**" This case of a group of Jews in the employ of the U.S. Government Mr. Hoover, most certainly, could not forget. He himself took an active part in revealing the sinister machinations of Morganthau's protege White, alias Weiss, a Jew of Russian origin, who died somewhat mysteriously.

Not without interest—and should be remembered here—is the candid declaration of Bernard Baruch that **ALL** Soviet Governments since the days of Lenin looked for his advice, which clearly shows that Mr. Baruch, this permanent adviser to American Presidents, was far from being unfriendly with the Soviet communists, because it is self-evident **NOBODY** would ask an enemy for advice. It seems the last of the Soviet leaders who looked for Mr. Baruch's advice was Molotov, when he paid his last visit to America. It is of interest to note, that Mrs. Molotov, a Jewess, was put in jail in the Soviet Union specifically for being a kind of "liaison officer" between the "Cosmopolitans" and International Jewry.

Ben Gurion himself, this embodiment of Jewish virtues and a living symbol of Judaism was, shall we say, very friendly with Stalin, and on occasion of Stalin's 70th birthday sent him such a foul smelling cable of congratulation, that even the pro-Jewish magazine TIME, (Sept. 30, 1957) said that this cable "remains one of the least attractive pages in Israel's diplomacy." We may add, in parenthesis, that this diplomacy, in general, has very few pages which could be called "attractive." It is worth noting, that the Israeli farm system, the "kibbutz," of which Ben Gurion is so proud, is entirely "COMMUNISTIC" and modeled after the Soviet "kholkhoz."

Who would dare, however, to call Messrs. Baruch and Ben Gurion the "black sheep" of the Jewish people?

The present attitude of many Jewish political writers to Red China is also quite significant: they do not advocate a fight with Chinese communism, far from it; they insist that Red China shall be recognized by the U.S. and admitted to the UN with a hope that, eventually, she may be turned

away from the Soviet Union and may join the "Cosmopolitan" (Jewish) brand of communism, the seeds of which were planted in China years ago by a Jew, M. Borodin (Moses Gruzenberg). To name only a few of those Jews who advocate this idea: Seligman, Gruson, Peffer, Dallin, Levitas, Warburg, Kestenbaum, Stein, Sulzberger, White, etc.

But can, honestly speaking, those "sheep" be called "white?" Are they not rather of a deep pink shade?

Theodore Streibert left no room for any doubt about the Jewish attitude toward communism when, being at that time the director of VOA, he said openly his "credo" is that: "AMERICA is NOT fighting INTERNATIONAL (Cosmopolitan) communism; WE (who?) are fighting RUSSIAN Imperialism." Compare this most revealing declaration of a man who, allegedly, spoke on behalf of AMERICA with that of Ben Gurion, the speaker for ISRAEL: BOTH do not say that they fight communism as such; but both name RUSSIA as the true enemy!

We have seen the unbiased testimony of Mr. Stevens who tells that the Soviet Jews as a GROUP were the STAUNCH SUPPORTERS of communism in the USSR—and this group had before the 2nd WW at least 4 million members, or about 25% of the world Jewish population; Miss Sterling, writing in a Jewish-edited magazine, THE REPORTER, tells us that approximately the same thing happened and in the Satellites too, the Hungarian case being the most typical of all: the communist Government there was ENTIRELY in Jewish hands: we took a cross-section of the American Jewish community: workingmen, government employees, intellectuals, religious leaders, bankers, members of the "ELITE"—and found all of them full with "red" and "pink" sheep. The predominance of the Jewish element in the ranks of the secret police forces in the communist dominated countries and in different spy-rings outside of them shall be particularly noted.

The question finally arises: could it not happen that the whole "FLOCK" was formerly of a "PINKISH-RED" hue with a few "WHITE" sheep imbedded here and there?

Now, when the "Cosmopolitans" have lost their ground in the Soviet Union, those scarce "white" sheep are skilfully used as a proof that the whole flock was always "white,"—only a very naive person can be caught by such a primitive ruse.

The fact remains that JUDAISM and COMMUNISM were closely connected before and during WW II, and those ties were NOT cut by the Jews themselves—see Ben Gurion's authoritative testimony—but by the "GREAT RUSSIAN CHAUVENISTS" who during the post-war period began pushing the Jews OUT OF CONTROLLING POSITIONS!

This simple TRUTH shall be understood and remembered by EVERYBODY, because it is the KEY to most political problems of our turbulent times.

THE TESTIMONY OF THE RUSSIAN GOVERNMENT

"The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when, after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement... has also a quite definite international character... One is bound to the conclusion that there are foreign capitalists' organizations which are interested in supporting our revolutionary movement... If we add to the above that, as has been proved beyond any doubt, a very considerable part among these heterogeneous nationalities is played by Jews, who, as ringleaders in other organizations, as well as through their own, have always come forward as the most belligerent element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles... Moreover, certain very significant facts... quite confirm the obvious connection of the Russian revolutionary movement with foreign Jewish organizations."

— Confidential report of Count Lamsdorf, Russian Foreign Minister, to the Czar Nicholas II, quoted in full in the American Hebrew and Jewish Messenger of July 13, 1918.
